## Happy Birthday!

Katie July 2nd

DaNesha July 10th

Steph July 16th

Alissa July 18th

## Easy, fun activity to do with the kids:

Spread some holiday fun by painting some red, white, and blue kindness rocks.

All you need are some smooth rocks, flag-color paints, and some patriotic feeling to make Fourth of July kindness rocks. Leave these inspirational surprises by your front walk or driveway, neighborhood park, or a friend's house.
