Back to School

With the school year starting up you will see a change in staffing. Familiar faces will be leaving and new ones will be arriving. Please make sure anyone who is picking up has their ID on them so that they can be checked until everyone becomes familiar with each other.

We will be utilizing the CUCCC vans for the upcoming school year! We **ONLY** transport to the following schools - Hansen, Lincoln, Cedar Heights, Orchard Hill and Southdale.

All Schools will be leaving Valley Park at 8:10/8:15 am to go to their respective schools. In the afternoon, they usually arrive here between 4-4:15 pm. More information will be sent out to our new school agers next week!

Here's to a great school year!!
