# Finally, the weather is getting warmer! Try some of these fun outdoor activities/games:

- 1. A fun activity would be to have a scavenger hunt around your yard! This can be fun for all ages.
  - 2. A simple game kids love is also "red light, green light!"-

With enough room, this game can easily be played inside. One person is the traffic light at one end, and the other players are at the other end. When the traffic light faces the group, he or she says, "Red light!" and everyone must freeze. The traffic light then turns his or her back and says, "Green light!" while the group tries to get as close to the traffic light as possible. The traffic light turns around quickly, again saying, "Red light!", and if anyone is spotted moving, they have to go back to the starting place. The first person to tag the traffic light wins and gets to be the next traffic light. Number of Players: A small group. Equipment:

None.

Use this form for topical nonprescription medications such as sunscreen, diaper cream, lip balm and Vaseline.

Any other medications will need family and doctor authorization forms.
